Danny Christopher a long time resident of Idaho Falls and Shelley passed away on June 24<sup>th</sup>. Whether you knew Danny as a fellow employee at the Budweiser Malt Plant, patron at the Idaho Brewing Company, Beer Club member, fellow collector of antiques or simply as a friend or acquaintance, you would always have to admire his generous, positive attitude and energy.

At his request there was no obituary, no service, a simple cremation with no fanfare. But...he had no objections to a little party with beer, food and fundraising for the animals he loved with friends who he shared his life with.

The first Beer is provided compliments of Wolf and Robin at the Idaho Brewing Company. Polish Sausage is available for a \$1 donation.

Stay for an hour, or fifteen minutes but drink a beer and remember Danny as you knew him. He loved his beer but more important he loved his friends!
